Working Experience

- Working as a journalist is about propagandizing and communicating, and psychology is an opportunity to develop Mandarin teaching for both kids&teens and adults. The working experience could help students with pronouncing and giving speech fluently and confidently.
- Co-editing Mandarin teaching materials (PowerPoint, game cards, worksheets, etc.) to make sure students are engaged in classes.
- Having home-tutoring Mandarin classes for Mainland China, Hong Kong, and overseas students. Through interactive activities make classes fun and effective.
- Audio recording for Chongqing province Rail Transit.
